

2013 TRI-COUNTY AWARDS PROGRAM

Sunday, September 22, 2013

Middlesex County 4-H Center

About thirty-five 4-H members from three counties participated in the Tri-County Awards Banquet hosted by Middlesex County.

Points are calculated by the traditional method, placing each class 1st – 10th. Only the top four riders, participating in both division shows, from all three counties combined will be awarded a point value. Winners have received a gift certificate for Rick's Saddle Shop. Jr. Jr. and Dressage riders have received a lower point score due to fewer participants and number of shows held.

We congratulate the recipients of the perpetual awards and extend our gratitude to the sponsors who made them possible. Each perpetual award has written criteria, established by the donator complete with a listed class used to break a tie if needed. The classes are calculated and the top 4-H horse/rider combination is awarded the perpetual trophy for that year.
